1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

The following changes have been made to the subject application:

Specification:

Line 4, after "10/207,177," --now USP 6,683,514,-- has been inserted.

Claims:

Non-elected claims 1-2 have been canceled.

Claim 5:

Line 14, "a" has been changed to --the--;

Line 15, "an" has been changed to --the--.

The changes have been made to comply with the 35USC 112, second paragraph and to place the application in a condition for allowance.

2. The following is an examiner's statement of reasons for allowance: the prior art of record fails to teach or fairly suggest a portion of the non-inverting side line from an end of the non-inverting-side second capacitor to a cross-point between the non-inverting-side line and the signal line or to a vicinity of the cross-point, and a portion of the inverting -side line from an end of the inverting side second capacitor to a cross point between the inverting side line and the signal line or to a vicinity of the cross point, are positioned next to each other as called for in claim 3, wherein in one of the areas, which is a first area, the non-inverting-side first switch and the inverting-side first switch are provided, and in the other of the areas, which is a second area,

the non-inverting-side second switch and the inverting -side second switch are provided as called for in claim 5, an inverting signal line, crossing the one of the non-inverting-side line and the inverting-side line, for receiving an inverting signal of a signal to be transmitted via the signal line as called for in claim 8. Therefore, claims 3-8 are presently allowed.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
